- Please make sure to write the image numbers clearly and to choose the group photo that applies to you. If you are in both group photos, you have to choose one, but you can also purchase the other from the A La Carte menu.

- With Individual Portraits in the packages, only one image may be used.

- When purchasing A La Carte, keep in mind that quantity is based on sheets which will contain multiple images. For instance, choosing 1 5X7 will actually give you 2 on a sheet.
